

PUT IT ON LAY-BUY powered by PayPal: PROCESS DOCUMENT

The affordable payment option for customers buying products for future dated events

Setting Up LAY-BUY as a payment method in OpenCart

Overview: There are two core steps in getting Lay-Buy activated and operational in your checkout – and the good news is, it will take you no more than 10 minutes

1. REGISTER LAY-BUY MERCHANT ACCOUNT

1.1 Register a Lay-Buy merchant account

A Lay-Buy merchant account is to be setup at link: <https://www.lay-buys.com/index.php/vtmob/login>

Upon successful registration, merchant is directed to your Virtual Terminal (VT) 'Profile' workspace

Merchant account details will ensure all Lay-Buy order monies are automatically paid directly into merchant's PayPal account

1.3 Your PayPal Details

Click into 'Your PayPal Details' and then click 'Get Credentials from PayPal'. Then copy, paste your LIVE PayPal details from PayPal into VT for:

- Username
- Password
- Signature

Then type in your PayPal email address that is linked to this PayPal account

If you have a PayPal Sandbox account and want to test within PayPal sandbox, then save your PayPal sandbox details in fields provided (don't forget to have Sandbox mode saved to Yes, if you test with Sandbox)

Then before logging off, go to 'Update Your Details' And move your 'Operation Mode' from DEMO to REAL

Finally make a note of your **Lay-Buys membership ID**

Log Out of VT

2. SETUP LAY-BUY PAYMENT METHOD IN OPENCART

2.1 Install 'Lay-Buy' payment extension core module in OpenCart admin

Go to Extensions >> payments and click 'install' where you see the **Lay-Buy** payment method
Then click on 'edit' to commence setup

2.2 Setup 'Lay-Buy' payment extension core module in OpenCart admin

Populate the **Lay-Buys membership ID** field with your Lay-Buys membership ID you were provided in VT
Then setup all other fields

The screenshot shows the Opencart admin interface for the Lay-Buy extension. The browser address bar indicates the URL: `laybuy.opencartdemo.com/admin/index.php?route=payment/laybuy&token=jO5qSMaR7ISh9vQu84xPtZENxdKccSUL`. The user is logged in as Warrin Van Deventer, Administrator. The sidebar on the left contains navigation links: Dashboard, Catalog, Extensions (with sub-links for Extension Installer, Modifications, Analytics, Captcha, Feeds, Anti-Fraud, Modules, Payments, Shipping, and Order Totals), and Order Totals. The main content area is titled "Lay-Buy" and has two tabs: "Settings" (selected) and "Reports". The settings are as follows:

- Lay-Buys Membership ID**: 10155
- Secret Token**: 312fb92df9c4f2fb82e4fdcf9f67dfe6
- Minimum Down Payment (%)**: 10%
- Maximum Down Payment (%)**: 50%
- Months**: 12
- Allowed Categories**: Allowed Categories

The Windows taskbar at the bottom shows the time as 12:06 AM on 11/21/2015.

Above is where merchant sets up their setting requirements for their checkout: This is where you populate your Lay-Buys Membership ID that you are allocated after registering a LAY-BUY merchant a/c at www.lay-buys.com
